CUSTOMCELLS® DIRECTIONS

CUSTOMCELLS® Holding GmbH
Fraunhoferstr. 1c
25524 Itzehoe - Germany

HOW TO ARRIVE TO CUSTOMCELLS®

BY TRAIN

ICE- and IC-trains from Hamburg Main Railway Station 1h and Hamburg-Altona 45min. From there connecting trains to Itzehoe every hour. From Itzehoe railway station take a taxi to CUSTOMCELLS® - Fraunhoferstraße 1c.

BY PLANE

From Hamburg airport take a rental car and drive direction highway A7 (Flensburg / Hannover), follow A7 southwards (direction: Hannover) to interchange "Nord-West". Change to the highway A23 northwards (direction: Husum / Heide) and leave at exit "Itzehoe Nord". Now follow the description "by car", from southern direction; total distance: approx. 64 km.

BY CAR

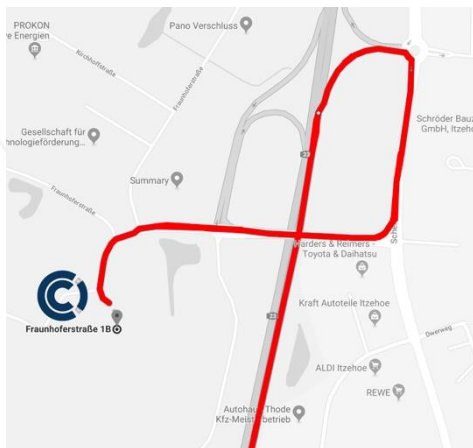

CUSTOMCELLS® is located 500 meters west of the highway A23 within eyeshot of the highway exit "Itzehoe-Nord". Electric cars are welcome. Charge your car for free.

From northern direction:

Leave at exit "Itzehoe-Nord" and turn right and use the parking space at the office Fraunhoferstraße 1c by using the bell "CUSTOMCELLS" at the parking entrance.

From southern direction:

Leave at exit "Itzehoe-Nord" and take the 1st exit of the roundabout, direction: Itzehoe. At the next crossing (about 100m distance) turn right and follow the street without turning left or right and use the parking space at the office Fraunhoferstraße 1c by using the bell "CUSTOMCELLS" at the parking entrance.
